Research Summary:

Write one or two sentences summarising your research experience to date and your suitability for the post you are applying for.

Research Experience

Give details of any projects that you have worked on, including postdoctoral work. Include the Date, job title, name of lead academic, brief description of the research. List these with the most recent first.

Education

PhD: title, date and place where received, supervisor's name/examiners' names
Bachelor's and Master's degrees: details of where and what awarded and grade achieved.
Any other relevant awards, eg teaching qualifications

Teaching

List any teaching experience including workshops, seminars and lectures. Single lectures given are included, as well as longer term positions such as teaching assistantships.

Referees:

List the names, postal addresses, phone numbers and email addresses of two referees who know your academic work well.
