RESEARCH AIMS/OBJECTIVES:

List here your research aims and career expertise so far. This should only take a sentence or two.

PROFESSIONAL EXPERIENCE:

List projects/companies/institutions that you have worked for in reverse order (i.e. most recent first)

GRANTS AWARDED:

List specific grants of money that you have been instrumental in securing.

QUALIFICATIONS:

PhD: title, date and place where received, supervisor's name/examiners' names

Batchelor's and Master's degrees: details of where and what awarded and grade achieved.

Any other relevant awards, eg teaching qualifications

ACHIEVEMENT/PRIZES:

List any awards or prizes that your research excellence has achieved.

OTHER INFORMATION:

List hobbies that demonstrate your leadership and project management skills. List any language skills you have or experience working with an unusual computer package.

REFERENCE:

Give names of at least two referees who know you in a professional capacity
