

## MILITARY TECHNOLOGICAL COLLEGE– RECRUITMENT PAPERWORK

### 1. JOB DESCRIPTION

<b>Job Title:</b>	Senior Lecturer
<b>Department:</b>	Aero /Systems / Marine /Civil /Geomatics Engineering
<b>Location:</b>	
<b>Responsible to:</b>	Head of Department
<b>Responsible for:</b>	Lecturers
<b>Effective date of job description:</b>	

#### Context:

Senior lecturers are expected to be involved in the day-to-day teaching and will usually have module management responsibilities and support Module Coordinators in development of teaching and learning and assessment within modules. Senior lecturers should take a leading role in supporting students inside and outside the classroom, such as, personal tutorials and development.

Senior lecturers will be expected to take part in some research activities and will be involved in managing lecturers and contributing to team-taught programmes.

#### Purpose of Job:

- To provide support to teaching across the discipline of Aero/Systems/Civil/Marine Engineering as appropriate, and other related specialist fields.
- To actively support staff and students.
- To undertake scholarly activities commensurate with the role and to contribute to excellence in teaching at all levels and provide academic support to teaching and curriculum development within the College.
- To strengthen the research environment in the College and provide an input to activities in other subject group areas such as entrepreneurship, human resources and labor market studies.

#### Key Responsibilities:

#### Teaching:

1. To support curriculum/course development as a member of staff within the Aero/Systems/Marine/Civil/Geomatics Department.
2. To deliver inspirational teaching and where appropriate adopt research-informed teaching.
3. To support design and content of specific areas of teaching and learning.
4. To undertake academic duties to deliver high quality teaching, student learning support and assessment duties.
5. To support and comply with the College quality assurance standards and procedures.

**Additional duties:**

1. To support the leadership and management of the department and developing new curriculum.
2. To undertake such specific roles/committee work as may be reasonably required.
3. To participate in relevant professional/advisory activities.
4. To carry out research and produce publications, or other research outputs, in line with personal objectives agreed in the Staff review process.
5. To supervise or assist with supervision of undergraduate or taught graduate (Masters) students.
6. To engage in continuous professional development.
7. To undertake external activities, which reflect and enhance the reputation of the College.
8. To comply with the College Health and Safety Policy.
9. To undertake any other duties as required by the Head of Department.

**Working Relationships:**

- Head of Department
- Deputy Head(s) of Department
- Principal Lecturers
- Other academic colleagues and support/technical staff on day-to-day issues
