Who we are

[London College of Contemporary Arts \(LCCA\)](#) is a dedicated institution specialising in business, creativity, contemporary art, experiential and real-world learning with a broad network of industry connections, aided by our association with University College of Arts and other industry leading brands. With LCCA's pedagogic approach to experiential blended learning, we empower our students to get a real feel for working within the business world or creative industries, by shaping a career in the sector. At the very heart of our vision is a student-centred learning and teaching methodology which is progressive, forward-thinking, modern and designed to meet our learner's needs.

Why join us:

LCCA is part of [Global University Systems \(GUS\)](#) which is an international network of higher-education institutions brought together by a shared passion for accessible, industry-relevant qualifications. Our institutional culture was built upon our history and values. Our shared values – **student, focus, communication, collaboration, respect, competence, entrepreneurship, and integrity** – are more than aspiration. We display and expect these beliefs and behaviours from our colleagues equally.

What we offer our colleagues:

- ✓ My Rewards Hub – handpicked discounts and deals from a wide and ever-growing list of providers.
- ✓ Employee Assistance Program (EAP) – a dedicated 24/7 access platform
- ✓ We support and promote colleagues in achieving various academic and CPD opportunities via PG Cert HE and Advanced fellowships.
- ✓ Training & Development opportunities on offer – this ranges from digital badges, in-house workshops and seminars hosted by world renowned subject matter experts.
- ✓ Networking opportunities: Build connections with industry experts, attend conferences, and ample opportunities to step-out in the real world and collaborate.
- ✓ A great Refer-A-Friend (RAF) scheme in operation.

- ✓ Socials via 'GOSH': We love to celebrate events, our successes and recognise our colleagues for their contributions.
- ✓ Eyecare vouchers
- ✓ Various other benefits on offer from being part of Global University Systems (GUS) education network.

The Role

The BA Business Management degree introduces students to key aspects of business, enabling them to gain theoretical knowledge and develop practical, analytical and critical thinking skills, to become innovative future business leaders. The subject lead role focuses on creating holistic approaches to teaching and learning within a business specialist area, ensuring that the experiences delivered will progress and retain students. The candidate must have an impeccable track record in delivering student success as well as strong industry links that will enhance and enrich the blended nature of delivering on the Business Management course.

The postholder may have to teach across evenings and weekends, as determined and discussed at your interview matched against your preference, the workload and resource allocation and needs of the business.

The ideal candidate

As the Subject Lead, you will lead and manage on the design, development and delivery of the current and newly validated curriculum and all areas of learning, teaching and assessment on this BA degree. Staff will look to you for leadership and support, while you will be entrusted with efficient quality control, resource management and a collaborative working approach.

This is also an opportunity for the role-holder to work with and assist the Course Director in this crucial curriculum area within the College. The role holder will be expected to engage in research and or professional practice to increase their subject, practice and pedagogic awareness and teach students in Business and to contribute to extra-curriculum activities, such as delivery of staff development programmes and other cross-College initiatives. The role-holder will focus on key subject specific disciplines within the Business degree and be responsible for the design, development and delivery of the modules linked to these disciplines.

The successful candidate will have a demonstratable teaching record of innovation and success in the classroom across all levels, programme design, creation of teaching materials and discipline expertise.

The role holder will be expected to engage in research and or professional practice/enterprise in subject-specific territories.

Please note: Candidates must have the right to work in the UK. Only applicants shortlisted for interview will be contacted. **We do not offer visa sponsorships.**
